

Protection of personal data and terms of use

In this part, Evello d.o.o. sets out guidelines regarding the collection, processing and use of personal information by users of this site, as well as the terms of use.

Personal information is defined as “any information relating to an identified or identifiable natural person”. In the context of this website, such information would include, for example, the name and surname of the user, date and place of birth of the user, user address, mobile or landline telephone number of the user, user email address, personal identification number of the user and the like.

All of the above information will be collected, processed and used in full accordance with applicable legal provisions and in a legally prescribed manner, and all users of this site by accessing and using this site give their express consent to the collection, processing and use of personal information in the manner and with the conditions set out below.

In case of any changes to the legislation related to the protection of personal data Evello d.o.o. will make any necessary changes or adjustments to this Part so that at all times users of this Website and their personal information are protected in accordance with applicable legal provisions. Such changes or reconciliations do not require the consent or approval of the users of this site, as these are necessary changes or reconciliations in order to comply fully with the legal provisions.

Privacy Statement

Considering that personal information is any information relating to an identified or identifiable natural person (in the context of this website, such information would include, for example, the name of the user, the date and place of birth of the user, the address of the user, mobile or landline phone number, user e-mail address, personal identification number, etc.), users of this site confirm that by accessing and using this site, they are fully acquainted with the method of collecting personal information and give their consent or consent for the processing of their personal data for specific purposes, which will be presented to the users of this website in each specific case when they are asked for certain personal information (eg to inform about products, respond to customer inquiries, employment applications, etc.) . If for any reaction on the part of Evello d.o.o. necessary for the users of this site to provide their particular personal information and do not do so, then Evello d.o.o. will not be able to provide them with the requested service or respond to

their eventual inquiry or request. Each user of this site is free to decide whether or not to provide his or her personal information when requested to do so.

Method of collecting personal information

The personal information of users of this website is collected through their voluntary disclosure by the user, as well as by automatically collecting information that is created when accessing this website (IP addresses, cookies and the like). But personal data in the strict legal sense, that is, data that can be used to identify an individual, will be collected exclusively on the basis of the user's consent (by registering on this site, sending an e-mail, etc.), while the automatically collected data will serve the purpose of obtaining data on the frequency of site visits, statistical surveys and the like.

Evello Warranty d.o.o.

Evello d.o.o. warrants to users of this site that they will not in any way misuse their personal information and that they will not in any way be unauthorized to third parties. User Personal Information may be shared with third parties with whom Evello d.o.o. cooperates in the performance of its business when it may be related to the fulfillment of obligations towards users of this website (delivery, etc.). Such third parties will then abide by all of the privacy policies set out here. Also, this information may be made available to third parties regarding the audit of Evello d.o.o. as well as for the purpose of fulfilling legal obligations in accordance with the requirements of the authorized institutions of the Republic of Croatia (courts, police, public prosecutor's office, etc.), and in other cases when required by special regulations of the Republic of Croatia.

Right of Insight

Every user of this site who has provided their personal information has the right to check and correct this information at any time. The verification of personal data is carried out at the place where this information was provided, or by sending a query to the e-mail address provided later under (Questions and Suggestions). Also, if any user of this site agrees to receive advertisements (eg. newsletter) by e-mail or otherwise, he may cancel at any time in the manner stated on delivery of such material.

Security measures

When collecting personal information, Evello d.o.o. uses common security technologies and procedures (firewall, password protection). When using and processing personal data, the technical, personnel and organizational measures of protection of personal data that are necessary to protect personal

data from accidental loss or destruction and from unauthorized access, unauthorized alteration, unauthorized disclosure and any other misuse are used.

Links to other web sites

Personal data protection provided by Evello d.o.o. applies exclusively to this site and not to other websites to which this site may link. References to other web sites are used to provide complete information to our users as well as to provide the best possible service, but users are advised to review the data protection policies found on those web sites before accessing those other web pages.

Terms of use
